Dear Sir:

Pursuant to the provisions of 37 CFR Sections 1.56, 1.97 and 1.98, Applicant submits herewith copies of the documents (other than U.S. patents) cited on the attached Forms PTO/SB/08A and PTO/SB/08B for consideration of the cited documents during prosecution of the subject application.

In addition to the documents listed on the attached PTO/SB/08B form, a copy of Invalidity Contentions filed by the defendant in Civil Action No. 06-cv-00933-AJS in the United States District Court for the Western District of Pennsylvania is enclosed. That suit involves U.S. Patent No. 5,875,435, which is commonly owned by Applicant and which is a continuation-in-part of U.S. Application Serial No. 08/313,988 (the parent of the present application). Several of the documents submitted with this Supplemental Information Disclosure Statement are included in the enclosed Invalidity Contention document. Although Applicant disagrees with the invalidity contentions, they are submitted herewith for consideration by the Examiner.

This Statement is filed solely for the purpose of complying with the pertinent rules of the Office and is not intended to be a substitute for an independent evaluation by the Examiner of the art cited or an independent search by the Examiner, and no representation of any nature is made or intended by the filing of this Statement.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Alan G. Towner". The signature is fluid and cursive, with the first name "Alan" being more prominent and the last name "Towner" following in a similar style.
